## **BATTLE OF ATLANTIC SUNDAY – PARADE – 04 MAY, 2008**

We muster at the Toronto City Hall at 0945 on Sunday, 04 May, 2008. At 1000 (or shortly thereafter) we march off to the Cenotaph (at Old City Hall) for the Service. The return march has not yet been finalized but it will probably be back to the City Hall or some other nearby location.

After the Parade you are invited to “Splice-the-Mainbrace” at HMCS YORK. The TSCAA Colour Guard will be in attendance to lead the members of the NCOT, NOAC, TSCAA and any other navy and airforce veterans who may wish to join us. Turnout for previous parades have been low in numbers. Let's change that by coming out in support of our veterans regardless if you were in the military or not.
